# Olympic Solidarity Programmes for National Federations

# Olympic Solidarity

## Key Priorities

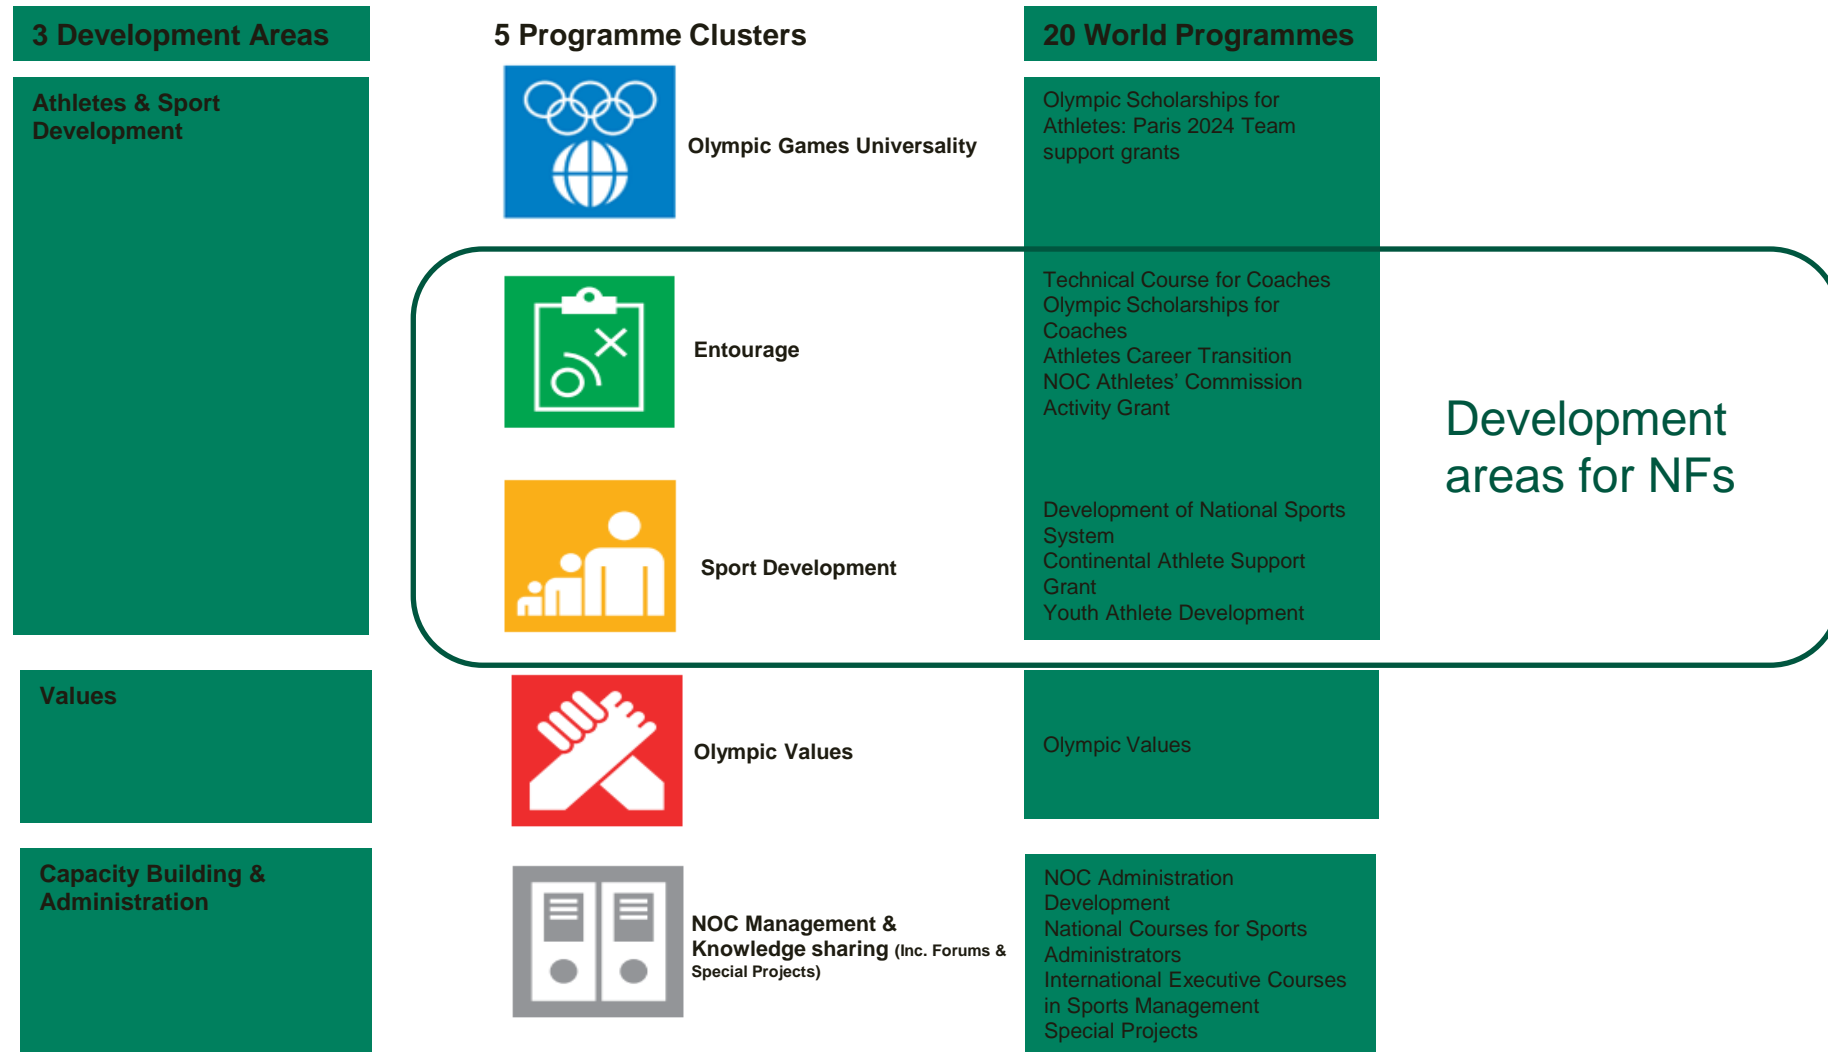

- to **provide assistance** to all **National Olympic Committees (NOCs)** for **athlete development programmes**, in particular those with the greatest needs of it.
- prioritising **athlete development**, but also training of **coaches** and **sports administrators**, and **promoting the Olympic values** (Olympic charter, rule 5)

# Olympic Solidarity

## Quadrennial Plan 2021 - 2024

- The assistance is achieved through multi-faceted programmes – World Programmes

# Olympic Solidarity

## Partners

The global network of partners involved in setting up, implementing and monitoring Olympic Solidarity programmes, as well as providing technical expertise, constitutes an essential action channel.

Each partner plays a clearly defined role in the various phases of the programmes, whether this is analysing applications, providing access to training centres or sharing their expertise.

# Olympic Solidarity

2021 – 2024 Budget

## World Programmes Budget USD 258,270,000

206 NOCs Around the world can utilise this funding

Olympic Scholarships for coaches

## 3 options available:

**1. Sports Science:** allow coaches to acquire training in the field of sports science at a high-level sports centre/University and obtain a diploma/certificate.

Olympic Solidarity collaborates with the following centres:

CAR - Barcelona	ICECP – USOPC (university of Delaware)	PAISAC - Montreal	Sports Academy - Lausanne	University of Physical Education - Budapest
-----------------	---	-------------------	------------------------------	--

**2. Sports-specific training:** technical training course to allow coaches to update their knowledge.

Depending on theoretical and practical needs, several options are available:

	Training organised by the IF
Training programme (content, format, duration, cost and evaluation method and/or certification.)	Determined by the IGF
Training location	International/continental/regional centre/club
Details	See list of centres

\* In some cases, IF may propose a candidate to OS for a specific training course. OS will contact the NOC concerned and ask it to confirm its position as to the training proposal. The final decision rests solely with the beneficiary NOC.

# Entourage Programme

## Olympic Scholarship for Coaches

**2. Tailor-made training:** NOC proposes training location other than the OS centres, if they provide content better suited to the needs of the coach.

	Training organised by the NOC
Training programme (content, format, duration, cost and evaluation method and/or certification.)	Approved by OS and the IGF, if applicable
Training location	High-level centre, sports club, etc.

\*Important: if the requested training course is not organised at a centre or university with which OS regularly collaborates, the NOC must submit a detailed training programme (content, format, agenda, evaluation process, type of certification, etc.) and a detailed budget breakdown including all the relevant costs.

---

## Financial Conditions

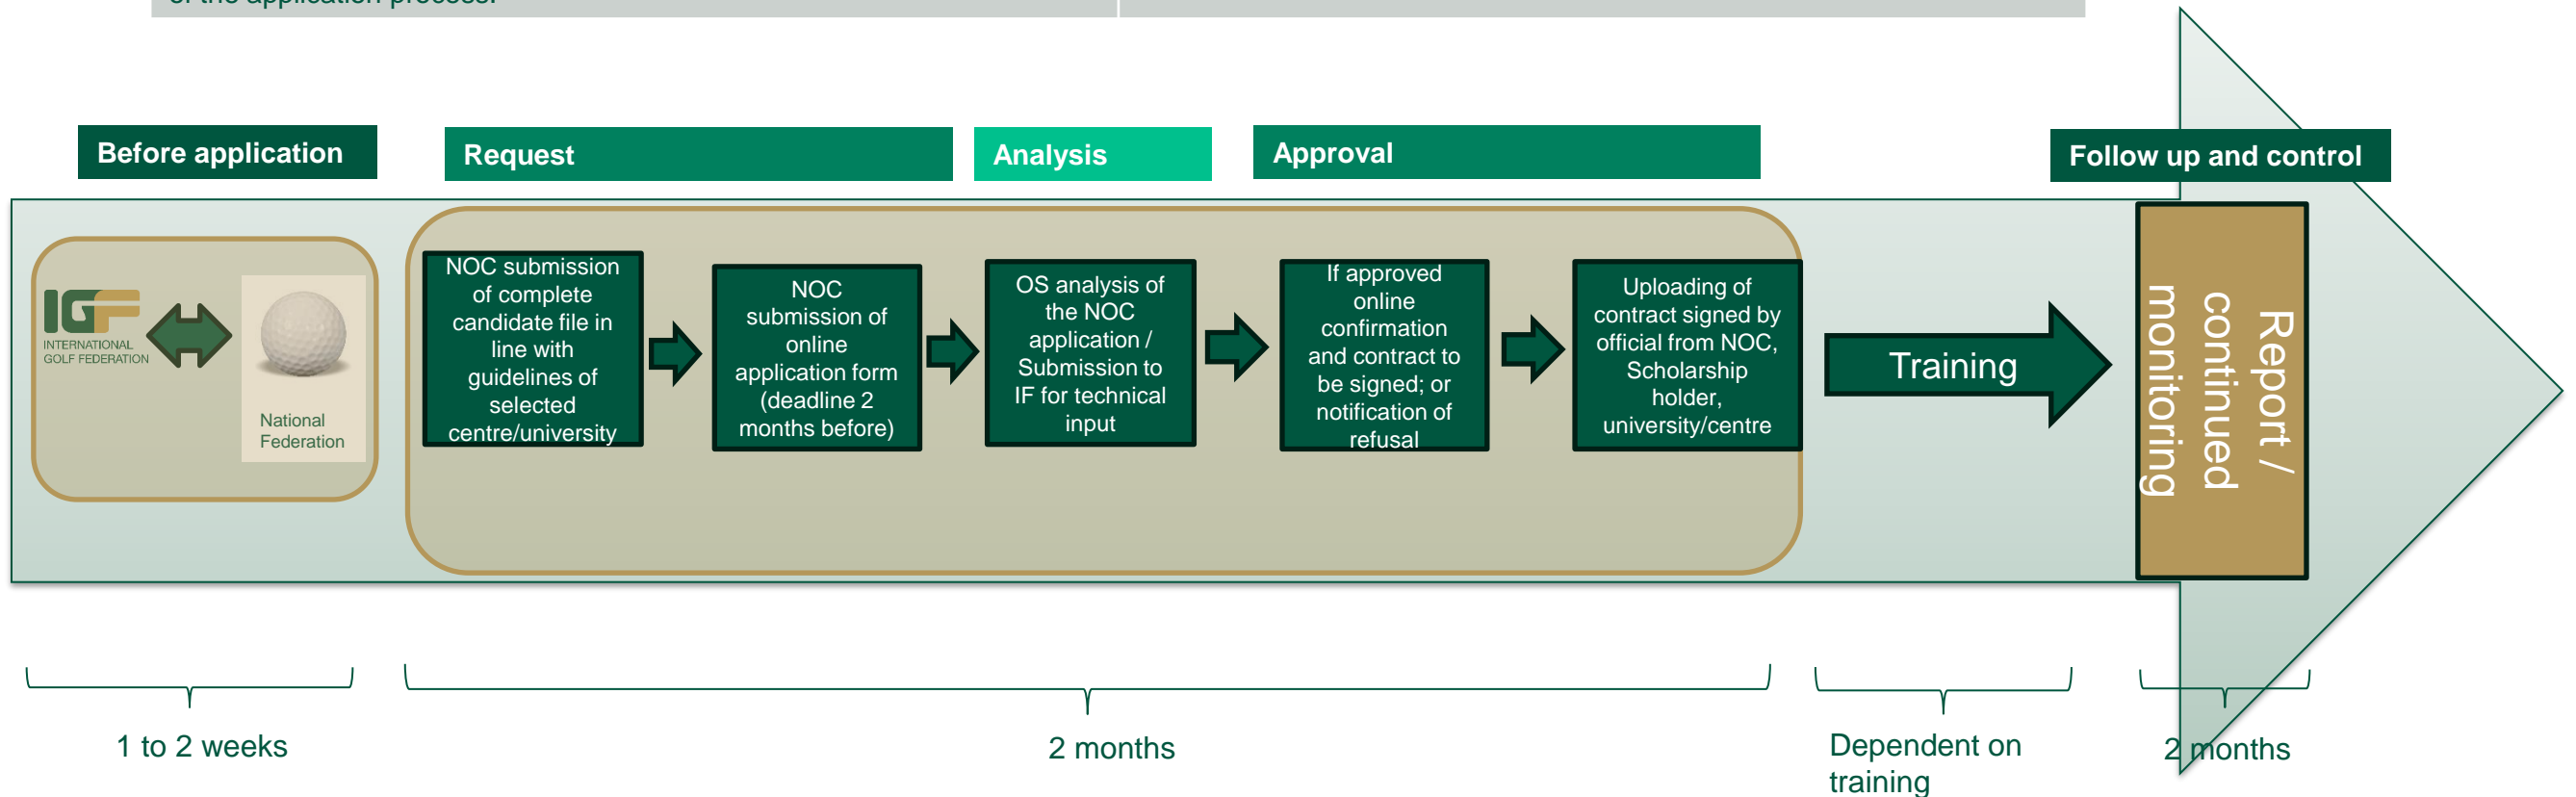

- In principle, Olympic Solidarity will **grant one to two scholarships per year and per NOC.**
- **Costs covered:** Transport, training, board and accommodation, weekly indemnity, health and accident insurance, if necessary.

# Entourage Programme

## Olympic Scholarship for coaches

There are two procedures that must be followed in parallel by the NOC in the approvals process:

b) Contact between NOC and Centre/university/IGF	a) Contact between NOC and OS
<p>For the three training options, it is the responsibility of the NOC to contact the centre/university/IGF to obtain the information for the candidature file.</p> <p>Approval of a candidate by the centre/university/IGF is imperative and part of the application process.</p>	<p>The scholarship application must be submitted to OS through the online submission tool 2 months before the start of training.</p> <p>OS and/or training centre reserves the right to refuse late requests</p>

# Sport Development

## Development of a National Sports System

**Objective:** develop and strengthen basic coaching structures and related sport systems through medium-or-long term action plan.

**Target NOCs/NFs:** NOCs/NFs whose basic sports structure and training system are weak.

Two options are available:

1. Standard option
2. Sport-based projects: short-term pre-visit

# Sport Development

## Development of a National Sports System

### 1. Standard options:

Main objective should be improving the coaching education system, it is important to highlight that this programme also provides the following opportunities:

- to look at athlete development pathways
- to look at good governance
- to build administrative capacity to support the coach and athlete activities
- to optimize existing aspects of their overall management

The list of potential topics is non-exhaustive, and that is why it is advisable for the NOCs/NFs to take the time to undergo a thorough analysis of the existing sports system with the help of the IGF, the International Council for Coaching Excellence (ICCE), or an accredited expert to put together a realistic medium-to-long term action plan with attainable objectives.

# Sport Development

## Development of a National Sports System

### Standard option

Applications must include the following:

Description of the current system and detailed analysis of the needs

Proposed action plan based on the expected objectives

Dates and deadline for various phases of the project

Curriculum vitae of the expert, if this person is proposed by the NOC

Detailed budgetary proposal

### Financial contribution

The budget proposal should be between USD 25,000 to USD 30,000. The amount may be increased to USD 35,000 should it be necessary and justified.

One project per year per NOC

# Sport Development

## Development of a National Sport System

### 2. Short-term pre-visit option

**Objectives:** Short-term pre-visit for self-assessment of a sport system and development of an action plan.

**Target group:** NOCs/NFs with the greatest needs

#### Characteristics

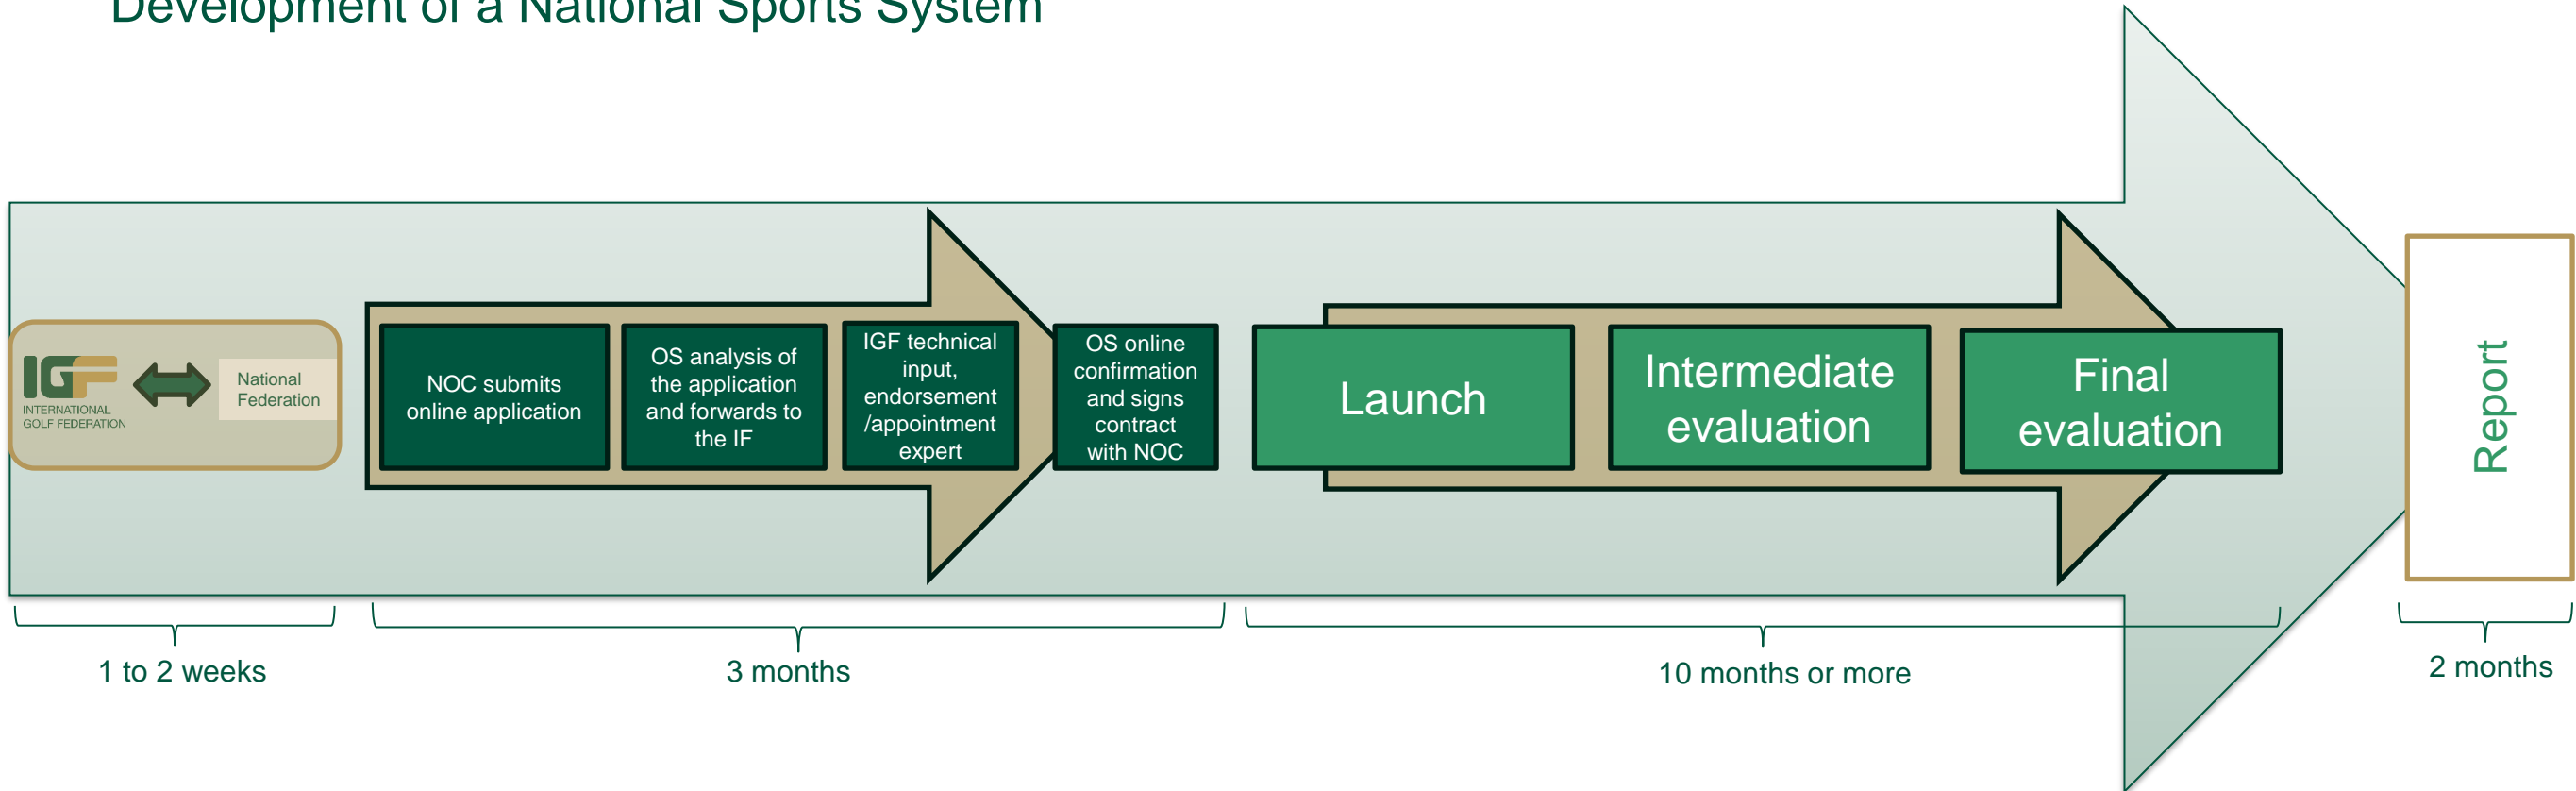

- conducted by an IGF-accredited expert
- onsite or online

**Expected output:** identified strategies, timelines and deliverables in preparation for applying to the DNSS standard option

**Financial condition:** will vary drastically depending if delivered onsite or online or both. As such, the allocation of budget per visit will be approved on a case-by-case basis.

# Sport Development

## Development of a National Sports System

Important – for an application to be considered, it must reach Olympic Solidarity no later than 3 months before the start of the project.

# Olympic Games Universality

## Olympic Scholarships for Athletes

**Objectives:** to assist elite athletes selected and proposed by their respective National Olympic Committees (NOCs) in their preparations and qualification for the Olympic Games.

**Description:** the programme offers individual scholarships or a tailor-made programme depending on the Olympic Games Profile of the NOC

### Only Athletes with the following profile may be put forward by their NOC as scholarship candidates.

<b>Olympic Sport</b>	Athletes practicing an individual sport included on the programme of the Olympic Games
<b>Minimum Technical Level</b>	Athletes with the technical level to be able to qualify for the Olympic Games. Proof of the athlete's technical sports level must be shown through results obtained at international competitions, recognised by the International Federation.
<b>Access to training funds</b>	Athletes to whom a scholarship will make a significant difference to their training and who do not have access to alternative means of paying for their preparation.
<b>Ethics</b>	Athletes who have not been convicted of a doping offence or sanctioned for actions contrary to the standards of sporting ethics as established by the Olympic Charter, the IOC or the NOC

# Olympic Games Universality

## Olympic Scholarships for Athletes

### A. NOCs that had 50 or fewer athletes in individual sports at the last Olympic Games

#### Individual scholarship

The individual scholarship gives NOCs the possibility to obtain financial and technical assistance for a limited number of elite athletes who are training and attempting to qualify for the Olympic Games.

Training centre option:

Partner NOCs

Partner IF

Individual  
training centres

### B. NOCs that had more than 50 athletes in individual sports at the last Olympic Games:

#### Tailor-made Programme

NOCs that fulfil the eligibility criteria noted above may submit a tailor-made application.

# Olympic Games Universality

## Olympic Scholarship for Athletes

### Budget allocation

### Training Centre option

- Olympic Solidarity Agrees Fixed rate with training centre

### NOC Training option

- USD 1,500 per month per scholarship holder.

### Tailor-made Programme

- Offers a maximum of USD 150'000 per NOC eligible

Just one scholarship allocation will be made per NOC. For NOCs that did not submit requests in time to benefit from the first allocation batch, additional allocation dates may be decided by Olympic Solidarity. These dates are dependent on the number and timing of applications received.
