5. Finance

5.1 Financial Update

- The IGF's reference currency is the US Dollar (USD). Financial statements are converted for presentation purpose into Swiss Francs as of the year end.
- Audited assets totalled USD 14.2m on 31st December 2024 with USD 12.1 m cash at bank and in hand.
- Through prudent and tight management of supplier contracts and timeliness of implementation of human resources we were able to successfully bring both the Olympic Games operational project and delivery costs under budget.
- The IGF received \$16,558,206 as the gross contribution from the IOC for its contribution to the Paris 2024 Olympic Games.
- We have invested \$12 million in a monthly short-term investment with our bank BCV.
- We are in the process of instituting a Finance & Investment Committee that will consider an investment strategy based on the historical cashflows of the IGF through to 2028.

5.1 Financial Update

- Provided that the IGF operational model of delivery remains in place through to 2028, the IGF should have sufficient funds to continue its operations without requiring loan funds from our Delivery Partners throughout this period.
- We will continue to implement the delivery model of relying on Delivery Partner resources, and where necessary, consultants to deliver specific projects and day -to-day activities.
- As we have evolved, it has become ever more critical to recognise that achieving delivery of our strategic plan is dependent on our ability to rely upon our delivery partners to fulfil their own commitments.

5.2 2024 IGF Financial Accounts Auditors Report

- IGF's 2024 accounts were audited by Forvis Mazars and the balance sheet, profit and loss statement and notes were attached to the Meeting Agenda and Notes.
- The 2024 financial statements were prepared by Comptabilité Et Gestion SA, an independent accounting firm based in Fribourg and supervised by the IGF Executive Director.

Report of the Statutory Auditor
on the limited statutory examination
for the year ended December 31, 2024

**forvis

Report of the statutory auditor on the limited statutory examination
to the Board of Directors of International Golf Federation (IGF),
Lausanne

As statutory auditor, we have examined the financial statements (balance sheet statement of income and expenditure and notes) of International Golf Federation (IGF) for the financial year ended December 31, 2024.

These financial statements are the responsibility of the Board of Directors. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements and the proposed appropriation of available earnings do not comply with Swiss law and the company's articles of incorporation.

中途转换赛道的16岁新加坡高尔夫小将陈星彤，在美国女子青少年锦标赛上取得亚军，成为首位闯入该赛事决赛的新加坡选手，创造了历史。这次突破性的成绩不仅让她重拾信心，也坚定了她兼顾学业与体育的人生道路。

我国16岁的高尔夫小将陈星彤近日在美国女子青少年锦标赛上取得了亚军的佳绩，成为首位闯入该赛事决赛的新加坡选手。虽然在7月20日进行的决赛中不敌加拿大的阿佛洛狄忒·郑，但这场比赛对于陈星彤来说意义非凡。

陈星彤首先在泳池展现运动天赋，她在三岁时开始学习游泳，五岁时参加比赛。在2016年的首届CSC超级青少年游泳邀请赛中，她表现出色，在八岁及以下的女子组别中名列榜首。

九岁时，父亲陈凡的朋友送给了陈星彤一对高尔夫球杆，虽然最开始她挥杆动作很吃力，但是她对高尔夫产生了浓厚的兴趣。而陈凡也将陈星彤送到家附近的华伦高尔夫球场及乡村俱乐部（Warren Golf & Country Club）开始打球。

逐渐崭露头角的陈星彤在2020年入选了新加坡高尔夫总会（SGA）未来运动员队（Future Squad），并于2023年中一时升入青少年队伍。为更好平衡学习与高尔夫训练和比赛，她也决定从武吉知马政府中学转入新加坡体育学校。

早人物 陈星彤告别泳池找到新自信 相信自己的线路 果岭一杆定乾坤

▲ 美青赛摘得亚军后陈星彤和父亲陈凡（右）在赛后合影留念。（受访者提供）

▲ 陈星彤在8岁时戴着在新加坡国家年龄组游泳比赛中赢得的奖牌留念。（受访者提供）

美高球文化吸引人 盼兼顾学业与体育

首次到美国参加高尔夫比赛的陈星彤找到了学业的方向。她发现和新加坡相比，美国的高尔夫文化渗透进各个阶层，氛围更吸引人。同时大学提供的体育奖学金体系也能很好的兼顾学业和球业。

近期第三次收获新加坡奥林匹克基金会林荣福奖学金的陈星彤坦诚：“我的家庭并不是特别富裕。我们生活得不错，但我还是无法完全放弃学业，来全身心投入高尔夫。”

“所以我仍然需要保障学业。我们制定了一个计划，我可以转职业，但我必须先完成学位，读大学。这样至少有一个备用方案，以防意外。”

训练虽占很大把时间 仍不后悔选择高尔夫

高尔夫之外，陈星彤是位十足的体育迷。她很喜欢世界摩托车锦标赛（MotoGP），同时也是F1法拉利车队的忠实粉丝“Tifosi”。足球方面她是巴塞罗那（Barcelona）的粉丝，篮球上则支持库里（Curry）和印第安纳溜马（Indiana Pacers）。

但训练、学业和比赛意味着她经常和爱好擦肩而过。

她在去年前往列比达比赛加比赛，当地有一个“法拉利世界”游乐园，但因为比赛和昂贵的门票她只能含憾错过。她也还没能在新加坡现场观看一场F1大奖赛，因为车赛要和考试撞时间，要和赛事重叠。

OLYMPIC GOLF IN NUMBERS

Tangible benefits

- **Growth in social media following:**

Olympic athletes see a notable +23% daily increase in followers, with an average gain of 621,000 during the Games. This peaks during the Olympic 'golden period' where athletes experience a +223% boost in number of followers per day.

- **Increased social media engagement:**

during the Olympics, athletes experienced a +77% rise in daily social media engagements (averaging 132,051 interactions). Instagram leads the way, accounting for 96% of total engagement during the Games.

- **Enhanced media coverage:**

a surge in media coverage of Olympic athletes, with x29 more news search results vs the previous year, especially in countries like the UK, Canada, South Africa.

- **Olympics fuel surge in female golfers' social media growth:**

Female golfers saw a significant boost in social media presence during the Olympic Games, with a 12% rise in followers compared to 3% for male players. Daily follower growth for female golfers during the Olympics also outpaced major Golf championships.

Intangible benefits

- **Boost in reputation and personal brand:**

the global Olympic platform strengthens the reputation/personal brand of athletes, driven by the positive sentiment surrounding their participation.

- **Increased visibility & influence:**

athletes see a **+89%+ rise** in visibility post-Olympics, providing more opportunities for endorsements/sponsorships.

- **Emotional connection with fans:**

during the Olympics 'joy' was the dominant emotion expressed, accounting for **52% of total volume**. Fostering a strong emotional bond between athletes and fans enhances support/admiration.

Athlete Visibility & Brand Opportunities Elevated

PARIS 2024

I saw the crowds for the men, and to see the similar crowds for the women is just kind of - for me - mind-blowing.

I wasn't sure what to expect walking on to that first tee, and obviously my first view was the tee. Then I kind of looked out to the green and I just saw like four people deep...

Like I did not expect this many people to come out and support everyone out here.

Standing on the podium was definitely one of the coolest things that I'll ever experience in golf. It was a lot of fun.

Paris 2024 Gold Medalist Scottie Scheffler

I think the Olympic Games is going to mean more and more to the game of golf as it goes along, going into '28 in LA, '32 in Brisbane, it's only going to become more important.

You think about the two tournaments that might be the purest form of competition in our sport... we don't play for money. It speaks volumes of what is important in sport and I think every single player this week has had an amazing experience.

6.4c Dakar 2026 Youth Olympic Games

- The IOC Executive Board determined that golf was one of ten sports that would not be on the sport programme.
- The IGF provided several proposals to the IOC to ensure golf remained on the programme, but these were not seen as possible.
- The IGF has been assured by the IOC that this decision is unique to the Youth Olympic Games Dakar 2026, and any future editions of these Games will include golf on the sports programme.

“ Standing on the podium was definitely one of the coolest things that I’ll ever experience in golf. It was a lot of fun.”

– **Scottie Scheffler**
Paris 2024 Gold Medalist
Team USA

“ I think it would be great to have a Mixed-Team Event at the next Olympics. I think with golf, we’re trying to bring the players together, and bring the best players together, and I think it’ll give an opportunity to the people that might not necessarily be winning a medal individually to be on the podium. I am all for having a Mixed-Team event, and I am excited to hopefully see it in the future.”

– **Lydia Ko**
Paris 2024 Gold Medalist,
Tokyo 2020 Bronze Medalist,
Team Korea 2020

“ It would be really special to have a different type of format that includes both the mixed guys and girls so just be able to play together and represent your country together...it would be cool to see golf be able to do that, too.”

– **Rose Zhang**
Team USA

“ I think the Olympic Games are going to mean more and more to the game of golf as it goes along, going into ‘28 in LA, ‘32 in Brisbane, it’s only going to become more important... That might be the purest form of competition in our sport... we don’t play for money. It speaks volumes of what is important in sport and I think every single player [in Paris] had an amazing experience.”

– **Bryson DeChambeau**
Team France

“ The Olympics are unique in their own aspect. Having a stage where we can do something that has never been done before would only further enhance the game of golf. Growing the game is a big passion of mine and I believe a Mixed-Team Event at the Olympics would do that.”

– **Hideki Matsuyama**
Paris 2024 Bronze Medalist
Team Japan

“ Having my first Olympics experience was amazing, and it’s unlike any other sporting event that I’ve been a part of. I was so fortunate and blessed to play for Team USA, but with that said, I thought that there could be some more events for golf – not just an individual... So, adding women is awesome and I think we’ve really never done it in professional golf with the PGA TOUR and the top players, so I think it’s something that will be great for the fans and really good for the game of golf.”

– **Nelly Korda**
Tokyo 2020 Gold Medalist
Team USA

“ I’ve always said that I think it’s a good idea. I think golf and the Olympic Games has always been a good idea for me, but I think they have an opportunity to do something cool with [the Mixed-Team Event], and I think that would be a great idea.”

– **Shane Lowry**
Team Ireland

“ I think the last Olympics did golf the world of good. I think it brought new fans to the game – playing in that Olympics, it was a different crowd to anything that we’ve ever experienced... I think another opportunity to showcase that in a different format [Mixed-Team Event] would be great for us, and it would be great for the game. I think you’re going to see whatever happens in the Olympics – I think kids are going to take up the game of golf, because we are part of the Olympics and get to showcase the best players in the world playing for something that’s so, so special.”

IOC Session & IOC President Handover Ceremony

- The 144th IOC Session was held from 19 to 21 March at Costa Navarino in Greece.
- At the Session Kirsty Coventry of Zimbabwe was elected as the 10th President of the International Olympic Committee (IOC).
- On 23 June, Olympic Day, a ceremony at Olympic House in Lausanne was held to mark the handover of the IOC presidency from Thomas Bach to Kirsty Coventry.
- Coventry is the first woman and the first African to hold the position.

Olympic Esport Games

- The 142nd IOC Session, held in Paris, officially endorsed the establishment of the Olympic Esports Games.
- The IOC has formed a 12-year partnership with the National Olympic Committee of Saudi Arabia to support the development of the esports initiative and the hosting of the event.
- IOC confirmed that the Olympic Esports Games will now take place in 2027 to enhance the event's impact and engagement.
- The IGF has submitted two proposals – a console (PGA TOUR 2K25) and a simulator (TMRW Sports) – for potential inclusion in the Olympic Esports Games Programme.
- The IOC is yet to formally announce the dates or the programme for the inaugural event.

6.4f IOC Relations

Protection of the female category in sport

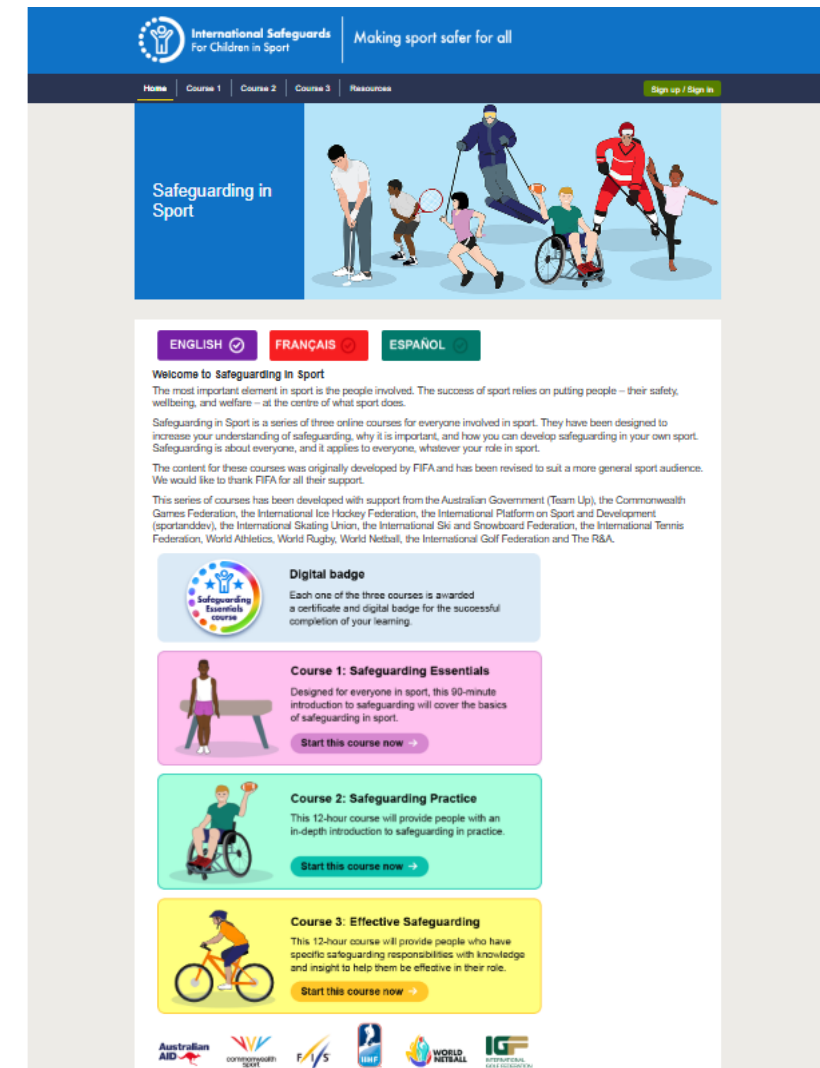

- As one of her first initiatives as IOC President, Kirsty Coventry announced the creation of an IOC working group to focus on the protection of the female category.
- The working group will be made up of experts and International Federations to ensure consensus with all the stakeholders on a clear and unequivocal policy to protect the integrity of female sport and female athletic competition would be implemented not only at the Olympic Games Los Angeles 2028 but across all Olympic sports.
- This led to the IGF Board deferring the adoption of an IGF Athlete Inclusion & Competitive Equity Policy until after the IOC working group's findings and recommendations are made.

6.4f IOC Relations

Safeguarding

- The IGF has taken a significant step forward in our commitment to safeguarding our athletes.
- In collaboration with UNICEF and The Open University, a golf-specific Safeguarding in Sport e-learning platform has been created.
- This offers our membership valuable access to three comprehensive online courses aimed at deepening their understanding of safeguarding principles, promoting best practices, and helping them implement effective safeguarding policies for everyone involved in the golf community.
- With the availability of this platform the IGF will encourage all our National Federations to appoint a dedicated safeguarding officer to take the lead on local safeguarding efforts.
- These measures are aimed at solidifying safeguarding as a fundamental responsibility of all National Federations towards all athletes under their care.

6.4h Anti-Doping

6.4h Anti-doping

Keeping golf clean

- The IGF is committed to safeguard the integrity of golf and to protecting clean athletes through the fight against doping.
- The anti-doping programme encompasses rigorous testing protocols, targeted education efforts, and coordination with IGF Delivery Partners as well as international and national anti-doping organisations.
- In-competition and out-of-competition testing is conducted to ensure athlete compliance with the highest standards of clean sport.
- Long-term storage of samples, enabling future reanalysis as testing technologies continue to advance.
- Ongoing education and awareness initiatives remain a cornerstone of the programme. of golf worldwide.
- Regular meetings with WADA's International Federation Relations
- Attended 2024 & 2025 WADA IF Forums, Lausanne, Switzerland

International Testing Agency (ITA):

- ITA continues to independently manage the IGF anti-doping programme, in consultation with the IGF and carried out the programme for the WATC.

Membership Education

- The IGF in cooperation with the ITA will provide opportunities for athlete education through to the 2025 WATC

6.4h Anti-doping

Paris 2024 anti-doping programme

- All athletes were subject to the IGF's testing authority from 26 April to 11 August 2024. Pre-Games anti-doping education was a key focus, with targeted outreach including dedicated webinars, an online education hub on the IGF website and the publication of the IGF Anti-Doping Handbook for Paris 2024, aimed at both athletes and support personnel.
- A total of 141 anti-doping tests were conducted under IGF authority in the lead-up to the Games, resulting in 100% of participating athletes being tested at least once – a benchmark unmatched by any other Olympic sport. An additional six tests were conducted by the ITA during the Games on behalf of the IOC.
- There were no filing failures, adverse analytical findings (AAFs) or Anti-Doping Rule Violations (ADRVs) among tested athletes.
- In alignment with IOC protocols, a select number of samples have been securely stored for long-term reanalysis, up to a period of 10 years.
- The IGF is extremely appreciative of the collaboration and support of the LPGA, PGA TOUR and the PGA European Tour Group for the implementation of the IGF anti-doping programme.

6.4h Anti-doping

2025 WATC anti-doping programme

- Anti-doping programme for the 2025 WATC, encompasses both testing and education strategies.
- As a long-term integrity measure, eight selected samples will be securely stored for up to 10 years, allowing for future reanalysis using evolving detection methods.
- A range of anti-doping educational initiatives were implemented in the lead-up to the Championships, reinforcing our ongoing commitment to fair play and the global fight against doping in sport.
- ITA Ambassadors are on-site on registration days to speak with players.

6.4i IPC Relations & Golfers with Disabilities

The IGF Brisbane 2032 Paralympic Games Bid

- The development of the IGF Classification Code for the Paralympic Games is nearing conclusion, with the remaining aspects pertaining to Sport Class Classification Assessments currently in the final stage.
- The new code, once completed, will adhere fully to IPC standards, ensuring we can continue to work on golf's inclusion on the Paralympic programme.
- The Brisbane 2032 sports application process commenced in July 2025, with submissions due by December 2025. The final decision on the sports programme is expected in Q4 2026.

Classification in Para Sports

- New IPC Code rolled out in January 2025 builds on 2007 & 2015 Codes; developed through a 3-year global consultation.
- Ensures fair competition by grouping athletes by the functional impact of impairment.
- Ensures it keeps pace with the rapid evolution of Para sport and consistency across all disciplines, and provides clearer definitions & classification procedures.
- Sets rules for compliance, personnel, data, and misrepresentation and requires International Federation alignment with IPC policies.
- Stronger protest & appeal protocols, and ensures an obligation to assess the impact on athletes.
- Stronger compliance requirements for International Federations.

 Committee

New Four Stage Classification Process

1. **Underlying Health Condition Assessment (UHC):** an assessment to verify that the Player has (or has had) at least one medically and/or clinically diagnosed Underlying Health Condition, based on a review of Diagnostic Information provided by the Player's National Federation.
2. **Eligible Impairment Assessment:** an assessment to verify (i) that the Player has an Eligible Impairment that is consistent with one or more Underlying Health Conditions reported in the UHC Assessment, and (ii) that there are no inconsistencies with such reported Underlying Health Condition(s).
3. **Minimum Impairment Criteria Assessment (MIC):** an assessment as to whether a Player's Eligible Impairment meets the applicable Minimum Impairment Criteria for that Eligible Impairment.
4. **Sport Class Assessment:** a Sport Class based on an assessment of the extent to which the Player's Eligible Impairment(s) impact(s) their ability to execute the specific tasks and activities fundamental to Para Golf; and

a Sport Class Status to indicate whether and when the Player may be required to undergo Classification in the future

IGF Sport Class Allocation

A Sport Class is a category grouping athletes by the impact of their Eligible Impairment

Allocation Process:

- Conducted after UHC, Eligible Impairment, and MIC Assessments.
- Classification Panel evaluates an athlete's functional abilities and assigns a Sport Class.
- Sport Class Status is also allocated (Confirmed (C), Review at Next Available Opportunity (R-NAO), Review with a Fixed Review Date (R-FRD), or Expired €).

Outcomes:

- Athletes with different Eligible Impairments may be grouped together if the functional impact on golf is comparable.
- Results recorded on the IGF Master List and communicated to National Federations.

IGF Eligible Impairment Sport Class Allocation:

- Physical Impairment - Sitting 1 (Si1), Sitting 2 (Si2), Standing 1 (St1), Standing 2 (St2), Standing 3 (St3)
- Vision Impairment - V1 & V2
- Intellectual Impairment – Ii1

Role of National Federations in Classification

- **Athlete Notification:** Receive form from players indicating intent to undergo classification.
- **Collect Diagnostic Information:** Gather all required medical and diagnostic documents from the athlete.
- **Submission to IGF:** Ensure all information is complete, accurate, authentic, and relevant; submit to IGF.
- **Information Updates:** Inform IGF of any changes in athlete diagnostic information.
- **Support IGF Requests:** Respond to requests for additional information from IGF or UHC Assessor.
- **Documentation Standards:** Ensure diagnostic information is legible, dated, in original format or copy, with English translation if necessary.
- **Athlete Support:** Facilitate athlete's participation in evaluation sessions and compliance with IGF classification procedures.
