Sweden Wins the 2004 Women's Championship

With Karin Sjödin and Louise Stahle posting 2-under-par 70s, Sweden overcame a two-stroke deficit to win the 2004 Women's World Amateur Team Championship by three strokes at 9-under-par 567 at Rio Mar Country Club in Rio Grande, Puerto Rico. It was the second-lowest team score in the championship's history.

Canada and the USA shared second place at 6-under-par 570. With an even-par 72 from Mary Ann Lapointe and a 1-over-par 73 from Laura Matthews, Canada could not overcome the Swedish surge, nor could the USA, with sub-par rounds from Paula Creamer (69), Sarah Huarte (71) and Jane Park (71).

Sweden and the USA notched the day's best efforts at 4-under 140. All the contending teams played Rio Mar's Ocean Course.

Canada had held the lead through the first three rounds and entered the final day two strokes

ahead of Sweden and five ahead of the USA. The Canadian team was attempting to become the first start-to-finish winner since the USA in 1996.

However, Sweden picked up two strokes very quickly when Sjödin, known for her length off the tee, eagled the par-5 3rd hole by hitting a 4-iron to 3 feet and then making the putt to take the team to 7-under.

"Karin is the longest hitter I've ever seen," said 2004 U.S. Women's Amateur champion Park. "She hits it a mile and once she gets on a roll, forget it." Sjödin, the 2004 NCAA Championship

runner-up who plays for Oklahoma State University, was modest in her assessment. "I hit the ball well," she said. "That eagle was the key. That's when we took over."

Stahle, the 2004 Ladies British Amateur champion, who plays at Arizona State University, and Sjödin then both birdied the par-5 5th to tie them with Canada at 9-under. The Swedes took the lead for good on the par-4 7th when Stahle logged another birdie for a 10-under team total.

Sofie Anderson who plays at University of California at Berkeley, was Sweden's third team member.

The winning team from Sweden (see page 24).

Sweden, which had a previous best finish of second in 1988, also matched the second biggest comeback by a winner in the final round of two strokes, which the USA did in 1970. They are the only nation to finish in the top 10 in all of the Women's World Amateur Team Championships.

Canada, which finished second in 1966 and 1978, matched its best finish. The USA, which claims 13 victories, placed second in 1964 as well.

Although there is no official individual competition, Sjödin and 17-year-old Julieta Granada of Paraguay, the 2004 U.S. Girls' Junior champion, shot the best individual scores for the week at 8-under-par 280.

Japan, Korea and Chinese Taipei finished tied for fourth at 579, Colombia finished seventh at 581, Spain was eighth at 583, and Germany and New Zealand tied for ninth at 589.

United States of America Wins the 2004 Men's Championship

The USA won the Eisenhower Trophy for the third consecutive time, its 13th overall, at the weather-shortened World Amateur Team Championship with a 54-hole total of 25-under-par 407 at Rio Mar Country Club in Rio Grande, Puerto Rico. Because of heavy rain and lightning, the International Golf Federation cancelled play for Sunday and based the Championship results on 54-hole scores.

The USA, the only nation to finish in the top 10 in all 24 Eisenhower Trophy competitions, finished nine strokes ahead of silver medalist Spain at 416 and 10 strokes clear of bronze medalist Sweden at 417.

The USA team members, all collegiate All-Americans, were Spencer Levin, 20, Ryan Moore, 21, and Lee Williams, 22.

"These three individuals are uniquely diverse persons but to see them come together as a team in this event was very gratifying," said USA captain Trey Holland. "I will follow their careers as long as there is breath in me."

In true team fashion, each USA player contributed:

Moore (65) and Williams (67), 2003 USA Walker Cup teammates, sparked the team with a 12-under-par start for a four-stroke lead after the first round; Moore, the 2004 U.S. Amateur, U.S. Amateur Public Links, NCAA individual and Western Amateur champion, shot 67 to combine with Levin's 69 in Round 2 and increase their advantage to eight strokes; and Levin, who won five amateur events in

2004 and was the low amateur at the 2004 U.S. Open, shot a 67 to go along with Moore's 72 in the third round to add another stroke to their lead.

The Americans became the 12th team to lead the event from start to finish. The USA also won four consecutive titles from 1968 through 1974 and three consecutive from 1978 through 1982.

Heavy rain, along with lightning in the area, forced a suspension of play in the mid-morning. The IGF, trying to complete as many holes as possible, made a cut at the top 10 teams and ties and those 11 teams were to play only the inward nine of the Ocean Course. However, more poor weather conditions followed in the afternoon and the resumption of play

The winning USA team (see page 64).

was suspended and ultimately cancelled.

"Every team out there wanted to play (Sunday)," said Holland of having the final round cancelled with his team holding a nine-stroke lead. "I don't think any lead is safe in this event."

Although there is no official IGF recognition, Moore was the lowest individual, shooting 12-under-par 204 through 54 holes. He was followed closely by teammate Levin, who shot 206.

Rounding out the top 10 were Canada, Italy and Switzerland sharing fourth at 422, Wales in seventh at 423, England and Malaysia tied for eighth at 424 and Denmark and Germany tied for 10th at 425. Host Puerto Rico finished tied for 37th at 445.

Section 1. Eligibility

Membership in the Federation is open to:

- (a) The R&A and the United States Golf Association, as the governing bodies of the Rules of Golf and the Rules of Amateur Status; and
- (b) Any organization which is the National Federation, Association or Union responsible for amateur golf activities in its country; and observes the Rules of Golf and the Rules of Amateur Status of either The R&A or the United States Golf Association.

Section 2. Election

An application for membership shall be supported by copies of the applicant's constitution and by-laws or similar documents and such other data as the Administrative Committee determines.

An applicant may be elected to Membership by the Federation after determination by the Administrative Committee that the requirements for membership have been met.

Section 3. Finances

(a) Member Organizations shall pay annual dues, as shall be determined by the Federation, payable in January of each year in the currency of the country in which the Federation's Administrative Office is located - see Article XI - unless prohibited by law or government regulation.

(b) Income from dues shall be used to defray all Federation expenses. If expenses in a given year result in a deficit in the Federation's account, which shall be maintained in the Administrative Office, the deficit shall be shared by those Member Organizations in the same proportion as their annual dues.

Expenses of the Federation shall be limited to the following:

(1) Cost of Administration including staff, office rent, stationery, postage, printing and other communications incurred by the Administrative Office.

(2) Expenses including travel and hotel accommodation authorized by the Administrative Committee.

(3) Insurance and maintenance of the Championship trophies; and

(4) Provision of prizes

No Member Organization may incur any expense for the Federation, and no representative of the Federation shall have authority to incur any expense except as expressly stated herein.

(c) Any other expense incident to the affairs of the Federation shall be borne by the Member Organization whose representative incurs such expense.

(d) The expense of conducting the Championships shall be borne by the Member Organization entertaining it.

Section 5. Correspondence with Member Organizations

A Member Organization shall not circulate a memorandum to all other Member Organizations without approval of the Administrative Committee.

Section 6. Withdrawal

Any Member Organization may withdraw from membership by notifying the Administrative Office to that effect.

Any Member Organization so withdrawing shall remain obligated for its annual dues for the year in which withdrawal occurred.

ARTICLE IV Championships

Section 1. Time

The Championships shall be held biennially, on such dates as the Federation shall determine. Normally, the Championships shall be held in consecutive weeks in the time period starting with the second half of September through the first half of November, with the two competitions being staged in the same geographical location.

Section 2. Place

(a) The Championships shall be rotated among the three following Zones in the order stated:

(1) Asia-Pacific Zone - Countries of Asia, Oceania, and some countries of the Middle East.

(2) American Zone - Countries of North America, the Caribbean, Central America, and South America.

(3) European-African Zone - Countries of Europe, Africa, and some countries of the Middle East.

All questions as to a country's zone shall be settled by the International Olympic Committee's Continental Divisions.

(b) Invitations to entertain the Championships shall be submitted by Member Organizations to the Administrative Office five years in advance. The Administrative Office shall inform all Member Organizations of such invitations.

(Note: Invitations may be submitted by any Member Organization in any Zone. Although invitations from the appropriate Zone will, of course, be given first consideration, it is important that invitations from other Zones, particularly the Zone next in order, should be available in case no invitation acceptable to the Federation has been received from the appropriate Zone.)

At the time of submitting its invitation the Member Organization shall represent that, subject to any restrictions imposed upon it by the Government of its country, it will allow all other Member Organizations to compete if its invitation is accepted. It shall also present with its invitation a statement from a properly authorized official of the Government of its country that all Member Organizations, other than those (if any) named in the statement, will be allowed to visit the country and to compete in the Championship without any restriction whatsoever.

At a time not more than eight months and not less than seven months from the first of the month in which the Championships are to take place, both the Member Organization and a properly authorized official of the Government of its country shall reiterate the statement made in the paragraph above.

(c) The location of each Championship shall normally be determined by the Federation at its Biennial Meeting four years in advance. In reaching its decision the Federation shall have regard to:

(1) The importance of locating the Championships in the appropriate Zone in accordance with Section 2(a) of this Article; and

(2) The degree (if any) to which an invitation to entertain the Championships has been restricted by the Government of the country concerned.

If no invitation acceptable to the Federation has been received from within the appropriate Zone, the Federation may consider and accept any invitation which may have been received from within the Zone next in order of rotation.

However, if the Federation at its Biennial Meeting is unable, due to a lack of acceptable invitations or for any other reason, finally to decide the location of the next Championships, the Administrative Committee shall take such steps as are necessary to ensure the continuance of the Championships.

(d) The Federation shall have the power to waive the annual dues of any Member Organization which, owing to a restriction imposed by the Government of the country in which a

Each Member Organization which enters the Championships shall inform the Administrative Office of the personnel of its Team not later than one month before the Championships. Substitutions may be made at any subsequent time at the pleasure of the Member Organization, until the time that the Team has registered on-site at the Championships.

The R&A shall not be entitled to enter a team from Great Britain & Ireland in any year in which teams are entered by the Golf Unions of England, Ireland, Scotland, and Wales.

Section 2. Qualification of Players; Amateur Status

The players comprising each Team shall be:

(a) Amateur golfers under the Rules of Amateur Status of either The R&A or the United States Golf Association; and

(b) Citizens of the country of the Member Organization represented, except that in cases where a Team of citizens would be impracticable, players normally resident in the country may be included.

A player with dual nationality who has played for one country in a Championship may, in the immediately following Championship, play for the other country of which he or she is a citizen, provided he or she has been a citizen of the other country for at least one year.

Each Team shall have a Captain, who may be either a player or a non-player.

Section 3. Form of Play

(a) Prior to the date for closing of entries, the Joint Secretaries shall determine the maximum number of Teams, using two courses, which can be accepted at the selected venue. At the date of closing of entries, if the number of Teams entered does not exceed the maximum acceptable number, the Teams will consist of two or three players. If the number of Teams entered exceeds the maximum acceptable, then the Administrative Committee shall determine a revised format for the Championships or a method of eliminating entries, as it considers appropriate.

(b) The Championships shall be conducted in accordance with the Rules of Golf as approved by The R&A and the United States Golf Association.

(c) The Championships shall consist of 72 holes stroke play; 18 holes each on four consecutive days of the Championship period. All the players of each Team shall be eligible for all four rounds; disqualification of a player under the Rules of Golf in any round shall not be effective for any subsequent round unless the Championship Committee determines otherwise.

The Secretariat shall determine the starting times for each country and the course on which each country plays. They shall also determine the method by which the countries are

divided between the two courses for the third and fourth rounds.

In each 18-hole round, the total of the two lowest scores by players of each Team shall constitute the Team score for that round.

The total of the two-player Team scores for the four rounds shall be the Team's score for the Championship.

The Champion shall be the Team with the lowest such total score for 72 holes.

(d) Prior to the start of every Championship, the Administrative Committee shall decide the procedure to be adopted in the event of a tie.

Section 4. Prizes

(a) The Eisenhower Trophy, presented to the Federation by friends of golf in the United States through The R&A and the United States Golf Association, shall be held for the ensuing biennium by the Member Organization whose Team is the winner of the World Amateur Team Championship.

(b) The Espirito Santo Trophy, presented to the Federation by the family of Ricardo Espirito Santo through the Portuguese Golf Federation, shall be held for the ensuing biennium by the Member Organization whose Team is the winner of the Women's World Amateur Team Championship.

(c) A uniform type of prize for individuals shall be awarded to the players and the Captains of the winning Teams, the second-place Teams, and the third-place Teams.

(d) No other prizes may be accepted from any source, except symbolic gifts by a Member Organization to its Teams.

Section 5. Championship Committee; Course Unplayable

(a) The Administrative Committee shall appoint a Championship Committee to conduct the event. The host Member Organization shall be represented on the Championship Committee.

(b) The Championship Committee shall be authorized to decide when a Championship course is unplayable.

(c) If a Championship course is declared unplayable and as a result it is not possible to complete 72 holes of play in the period in which the Championship is scheduled, the Championship shall not be extended beyond the last scheduled day and the winner shall be the Team which returns the lowest score for the number of stipulated rounds played, except that, if it is not possible to play at least 36 holes in the four scheduled days, the Championship shall be terminated without a Champion being determined.

ARTICLE VI Arrangements for Championships

The Member Organization entertaining the Championships shall have the honor of and be responsible for planning and arranging for the Championships, subject to the applicable provisions of these Articles and approval by the Administrative Committee, and for all the expenses in connection therewith except the expenses of the Teams. Such Member Organization may charge admission to spectators and otherwise raise income as it may desire.

any Member Organization other than the Member Organization entertaining the Championships.

Each such person shall be a citizen or normally a resident of

the country of the Member Organization he/she represents. Any country entertaining a future Championship that is not represented in the Administrative Committee shall be entitled to one representative to serve on the Committee in a non-voting capacity.

Section 2. Nomination; Election

(a) The Administrative Committee shall serve as a Nominating Committee and shall propose to the Biennial Meeting thirteen Member Organizations to receive the right to appoint one representative each to the next Administrative Committee.

Member countries from each of the three Zones should determine in advance of the Administrative Committee Meeting how they would nominate the countries to be represented on the next Administrative Committee. However, if for any reason they cannot come to an agreement on the countries, or which countries will provide male or female representatives, the Joint Chairmen and the Women's Chairman will assume responsibility for nominating the countries/representatives.

Additional nominations may be made by Delegates to the Biennial Meeting.

(b) At each Biennial Meeting thirteen Member Organizations shall be chosen, by ballot, to receive the right to appoint one representative (or substitute) each to the Administrative Committee, to serve for the ensuing two years. The R&A and the United States Golf Association shall be permanently entitled to appoint two representatives.

(c) Each Member Organization so chosen shall promptly appoint its representative to the Administrative Committee and give the Administrative Office notification of the appointment.

(d) A Member Organization shall have the right to change its appointee to the Administrative Committee; any such change shall become effective when the Administrative Office receives notification thereof.

Section 3. Duties

The Administrative Committee shall conduct the affairs of the Federation, subject to the provisions of these Articles and to directions of the Federation.

Section 4. Meetings

The retiring Administrative Committee shall meet immediately prior to the Biennial Meeting of the Federation.

In addition, the Administrative Committee shall meet annually, normally in April at a location to be determined.

HISTORY OF THE INTERNATIONAL GOLF FEDERATION

Dilemma, but a good one:

By the 1950s, the United States Golf Association (USGA) has received too many invitations for international matches against individual countries to be able to accept them all.

January, 1958:

The USGA Executive Committee, discussing yet another of these generous invitations – this time from Japan – proposes the establishment of an international team competition so that all countries can participate in these types of events.

March, 1958:

Representatives from the USGA travel to Scotland to discuss the idea with representatives of The Royal & Ancient Golf Club of St. Andrews, Scotland (The R&A). The concept is enthusiastically received.

May, 1958:

Representatives from 35 countries meet in Washington, D.C., USA, hosted by the USGA and The R&A, to establish the World Amateur Golf Council (WAGC), so that it may conduct the World Amateur Team Championship. The meeting is arranged through cooperation with Pan American Airlines and the U.S. Department of State, and the trips of all attendees are funded by an anonymous group, the Friends of American Golf. President Dwight D. Eisenhower welcomes the group in the White House Rose Garden. The Council is begun with 32 Member Organizations and governing Articles are established.

October, 1958:

The first Championship is hosted by The R&A on the Old Course at St. Andrews, Scotland. The Australian team defeats the American team in an 18-hole play-off by two strokes. Bob Jones is the Captain of the USA team.

September, 1960:

The second Championship is hosted by the USGA at Merion Golf Club (East Course) in Ardmore, Pennsylvania. Although the original 1958 Delegates envisioned that the Championship would be match play by this year, it has remained at stroke play through the present day. Jack Nicklaus's 72-hole record of 269 at Merion GC still stands today.

1964:

The French Golf Federation proposes that the USA Curtis Cup Team stop in France for an informal match following the Curtis Cup Match in Wales. The USGA accepts the invitation but also suggests inviting other nations to create a women's counterpart to the World Amateur Team Championship. The French are delighted to do so.

Vicomtesse de Saint Sauveur (known to many as Lally Segard), of France, and Mrs. Henri Prunaret, of the United States, planned the Championship.

October, 1964:

The French Golf Federation holds the first Women's World Amateur Team Championship. Twenty-five teams compete. France beats the USA by one stroke.

With sincere thanks to France, it is unanimously agreed that the World Amateur Golf Council will hereafter conduct the Women's event.

2003:

The World Amateur Golf Council changes its name to the International Golf Federation.

THE TROPHIES

Espirito Santo

The Cup once belonged to the Tsar of Russia, Nicolas II. It is rumored to once have been gold plated. After the Russian Revolution of 1917 the precious belongings of the Royal Family were scattered in auction sales and Ricardo and Silvia Espirito Santo of Portugal bought the Cup. The original intention was for a Portuguese International event, but as it was only played once or twice the Trophy then had no destination. Vicomtesse de Saint Sauveur, the co-founder of the Women's World Amateur Team Championship in 1964, contacted the Espirito Santos when she heard the Cup might be available. They were thrilled to offer the Trophy, through the Portuguese Golf Federation, for the inaugural event in France.

Eisenhower

With the blessing of Dwight D. Eisenhower, 34th President of the United States of America, the World Amateur Team Championship is played for the Eisenhower Trophy. It is inscribed, "To foster friendship and sportsmanship among the Peoples of the World," the IGF's guiding principle. The trophy was presented, via the United States Golf Association and The Royal & Ancient Golf Club of St. Andrews, Scotland (now The R&A), by the Friends of American Golf for the inaugural World Amateur Team Championship played on the Old Course in St. Andrews.
